

**Peculiar Missouri  
Police Department**

**Community  
Security Camera  
Partnership**

**Security cameras** are one of the best tools for crime prevention and identifying criminals after a crime has occurred. It is the goal of the Peculiar Police Department to partner with our community to create a private, secure database of all security cameras within our community. Should a crime occur in your area, this would allow officers to quickly contact you about your cameras to help speed up their investigation.

**Registering your cameras:**

There is no fee to register your security system, all information you provide will be kept confidential. You can register your system by contacting the Peculiar Police Department at 816-779-5102, Monday thru Friday 8:00 A.M to Noon, and 1:00 P.M. - 5:00 PM.

Or Mail your information to:

Peculiar Police Department  
P.O. Box 653  
224 N. Main Street  
Peculiar Missouri, 640478

Information to include:

1. Security Camera Location
2. Your Contact Details

**Privacy Concerns:**

This program is not intended for active surveillance of for the police department to check on what you are doing in neighborhoods. All information provided to us is strictly confidential and at no time will we have direct access to your private security system. This is simply a voluntary partnership between you and the Peculiar Police Department.

We may request your permission to obtain copies of your video related to criminal activity and to use your video as evidence in our criminal investigations.

For additional information Contact the Peculiar Police Department at 816-779-5102
